KEY FEATURES

This document is a summary of the product benefits as at June 2015. Full details are available in the product booklet and terms and conditions.

Irish Life's Term Life Insurance is a comprehensive guaranteed protection plan, designed to provide a lump sum benefit, to help protect you and your dependents for a specified term, in the event of your death and/or illness. The payments you make will be fixed for the term of the plan.

WHAT BENEFITS ARE AVAILABLE?

LIFE COVER

This pays your dependents a lump sum if you die during the term of your plan. The maximum cover is €10 million for level cover and €5 million for indexing cover.

SPECIFIED ILLNESS COVER

This pays a lump sum if you are diagnosed with one of the 44 conditions we cover. Specified illness cover is available on an independent, stand alone or accelerated payout basis. There are specific definitions for each of these conditions, please refer to the product booklet for these.

ADDITIONAL BENEFITS

Irish Life's Term Life Insurance provides you with a range of additional benefits:

LIFE COVER PARTIAL PAYMENT

If you take out life cover and are diagnosed as having one of the conditions we cover, we will make a payment of €5,000. This payment is totally independent of your main life cover benefit, and applies where you have taken out at least €25,000 life cover.

SPECIFIED ILLNESS COVER PARTIAL PAYMENT

We will also make a partial payment on a further 21 conditions. There are specific definitions for each of these conditions. Please refer to the product booklet for these.

PROTECTION FLEXIBILITY

This allows you to make significant changes to the level or term of your benefits without cancelling your existing plan and taking out a new one. When you change your benefits or plan term we will calculate your plan premium again at that time. This may mean it goes up or down.

CHILDREN'S COVER

If you take out **life cover**, your children age 0 to 21, are automatically covered for life cover of €6,000.

Where you take out **specified illness cover**, your children aged between 30 days - 21 years are automatically covered for €25,000 or half of your specified illness cover benefit amount, whichever is lower. Children are also covered for one partial payment of €7,500 or half of your specified illness cover benefit amount, whichever is lower.

Where you take out **hospital cash cover**, your children aged between 1 and 21 are automatically covered for 25% of your hospital cash cover if they are in hospital for 72 hours or more.

ACCIDENTAL DEATH BENEFIT

This is a temporary automatic benefit, available when you take out life cover. We will pay the death benefit (to a maximum of €150,000) if you die as a result of an accident. It covers you from the time we receive your filled-in application form, until any one of the following happens:-

- we accept your application;
- we offer special terms;
- we refuse your application;
- we postpone your application; or
- 30 days have passed; whichever is earlier.

The benefit is subject to a maximum entry age of 55. Once we have accepted you for life cover this benefit will stop and your regular life cover starts.

GUARANTEED INSURABILITY

A new plan for up to the lower of €125,000 or 50% of the original cover amount can be set up without any information about your health prior to age 55 if you:

- get married;
- have a child;
- take out a new or increased mortgage; or
- get a salary increase.

This option can only be availed of twice.

TERMINAL ILLNESS

If you have life cover and are diagnosed as having a terminal illness, we will pay out the full benefit, straight away. If you have specified illness cover only, and are diagnosed with a terminal illness, we will pay the lower of €15,000 or half the specified illness cover straight away.
